One day I was dropped off at the vet. That was the first time my owner and I met.

VET CLINIC

I was put in the back seat where I sat alone.

Little did I know, there would be a little girl waiting for me at home.

As we pulled up to the house, the sky was bright and sunny.

He handed my leash to the little girl and said, "Happy Birthday, honey!"

She looked at me, her eyes filled with twinkles.

She hugged me and said, "I'm gonna name you Sprinkles!"
