Story Description

The second book in the Paige Series and a direct follow up to "Paige Saves the Day"...

Brooklyn's plan for revenge is in motion and no one is safe. Peppermint is in danger and friendships are tested after Darcy is forced to make a tough choice that affects everyone. Who will save the day when Paige can't seem to find her cape?

- 1) Paige has a hard time after she learns that Peppermint is missing. Her friends decided to help. How have you helped a friend who was having a hard time or how has a friend helped you?

- 2) Darcy had to choose between getting her friendships back with Brooklyn and Melina or telling Paige what happened to Peppermint. How would you have handled this situation if you were in Darcy's position?
